Applicants' Interview Summary

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants wish to thank the Examiner for the courtesies extended to applicants' representative during the telephone interview of October 21, 2008. During the interview, the Examiner indicated that the claims would be allowed if each occurrence of the word "any" in claims 1-3 and 16 were removed. The Examiner also indicated that claims 1 and 12 will be rejected under the doctrine of obviousness-type double patenting in view of claims 16 and 19 of U.S. Patent 7,049,946. Applicants indicated they would review these requirements and contact the Examiner shortly. The Examiner indicated that once these two requirements were satisfied, the application would be in condition for allowance.

Respectfully submitted,
